Note: Some AFS CUTTERS must be altered to fit Model 5 Davis Keyseaters, (up to Serial no. 5-1363), at an additional cost. All Model 5 Machines (Ser. No. 5-1364 and higher) will accept AF and AFS Cutters without alteration.

ALL AFS CUTTERS are ground .0005" to .0015" larger than the Nominal Keyway Size listed, and are furnished with a 10 degree Rake Angle and a 3-1/2 degree Relief angle.
